

CALL OF PROPOSALS: BREAKOUT SESSIONS

International Montessori Congress 2026 | Joyful Journey
Mérida, Yucatán, México | May 1-4 2026

"The child is both a hope and a promise for mankind." – Maria Montessori

The **30th International Montessori Congress** invites educators, researchers, practitioners, and changemakers to submit proposals for **Breakout Sessions** that explore the interconnection between **family, self, and community**. Our theme, **Joyful Journey**, highlights the power of Montessori education in fostering a compassionate, interconnected world. This Congress will bring together Montessorians from across the globe to engage in meaningful discussions, exchange innovative ideas, and strengthen our collective commitment to child-centered education and peacebuilding.

KEY THEMES

Breakout sessions should align with at least one of the Congress's key themes:

- **Family:** Exploring how Montessori principles support parenting, intergenerational learning, and family engagement in education.
- **Self:** Focusing on both the adult and the child. Personal and professional development, self-awareness, well-being, and Montessori educators' lifelong learning journey. The role of the child's optimal development in their future contributions to society.
- **Society:** Montessori principles in action such as in organizations, public policies and government.

Proposals can cover a broad range of Montessori-related topics but should align with the Congress vision:

- **Interconnection Between Family, Self, and Society:** Recognizing the essential roles families, educators, and communities play in a child's development.
- **Access to Montessori Philosophy Worldwide:** Addressing barriers and expanding Montessori's reach to diverse and vulnerable communities.
- **Holistic Child Development:** Supporting children's social, emotional, and cognitive growth.
- **Sustainability and Innovation:** Exploring sustainable designs and technological advancements in education.
- **Cultural and Environmental Awareness:** Highlighting the importance of connecting with cultural heritage and the natural world.

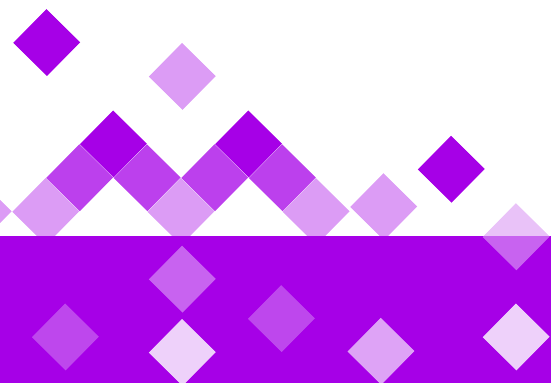

The **International Montessori Congress 2026** will bring together speakers from diverse professional fields to share knowledge, spark meaningful discussions, and inspire action. We invite presenters who:

- Are passionate about exploring and expanding upon the Congress theme, *Joyful Journey*.
- Seek to examine the role of Montessori education in shaping individuals, families, and communities.
- Are eager to share innovative research, practical applications, and transformative ideas that foster growth and connection.

This Congress is a celebration of **Montessori's legacy and its journey into the future**. As we approach the centenary of the first International Montessori Congress and the AMI, we aim to reflect on our progress while setting a course for new opportunities in education, social impact, and human development. Through dynamic sessions, hands-on workshops, and interactive discussions, we will explore **how Montessori principles can guide us in a changing world**—nurturing interconnectedness, sustainability, and lifelong learning.

The **working language of the Congress will be English**. Abstracts from speakers of diverse backgrounds, including those from traditionally underrepresented regions and fields, are particularly encouraged.

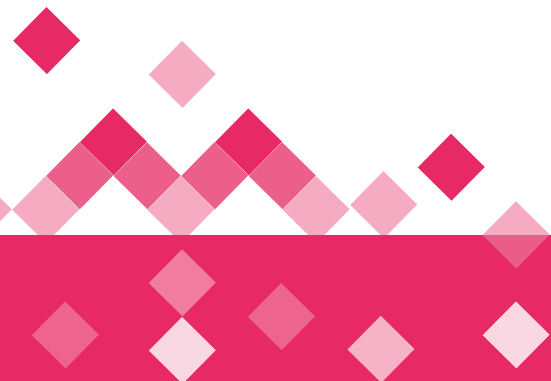

BREAKOUT SESSION FORMATS

We encourage **interactive** sessions that foster engagement, discussion, and hands-on learning and that align with the Congress theme and cater to a broad audience. Proposals should fit into one of the following formats:

- **Oral Presentation (50 minutes)** – A structured session with a presentation and Q&A. It can be either individual or with a panel discussion.
- **Interactive Workshop (80 minutes)** – A hands-on session featuring demonstrations, case studies, or audience interaction.
- **Roundtable Discussion (50 minutes)** – A facilitator-led session encouraging open dialogue, idea exchange, and collaborative problem-solving among participants on a specific topic.
- **Exhibition Showcase** – A display of outstanding projects or research related to Montessori education through posters in a category or an interactive exhibit.

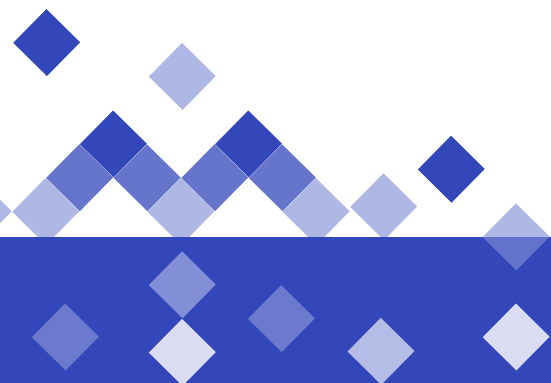

EXHIBITION SHOWCASE SPECIFICATIONS

The **International Montessori Congress 2026** offers a unique opportunity for individuals and organizations to share exciting projects, research, and initiatives that may be of interest to Congress participants. Whether you are an educator, researcher, student, or advocate, this is your chance to present work that contributes to education, community development, sustainability, and human connection.

Our **Exhibition Showcase** will **provide a designated display area** for presenters to visually share their work through **large-format posters or interactive exhibits**.

Submissions may relate to the **Congress theme, Joyful Journey**, but may also highlight **outstanding work and initiatives in Montessori education and beyond**. Montessori alumni are especially encouraged to showcase projects influenced by their Montessori experiences.

Posters and exhibits may be presented in **English**. If in another language, a description in **English** must be included for accessibility.

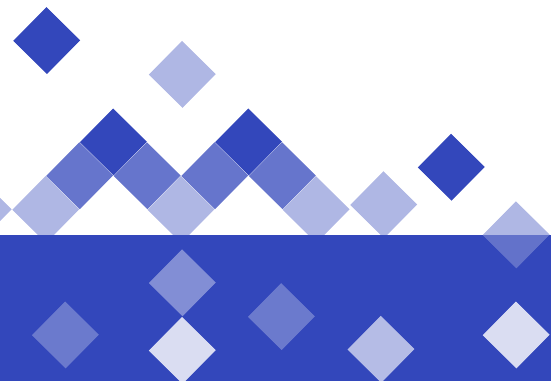

EXHIBITION SHOWCASE SPECIFICATIONS

Requirements for Display

- Posters must be **120 x 80 cm (portrait orientation)** and will be displayed throughout the Congress.
- Interactive exhibits should be **engaging and self-explanatory**, with clear visual or digital materials.
- Presenters are asked to be available during at least **one designated Exhibition Showcase session** (approx. 90 minutes) to discuss their work with attendees.

This **showcase is a great opportunity to inspire, connect, and contribute** to the global Montessori community. We encourage submissions from diverse backgrounds, including educators, researchers, organizations, and Montessori alumni.
